

Parent Emergency Information Sheet

Gather the information someone may need quickly during an emergency, appointment, hospitalization, or unexpected change.

Privacy note: This sheet is for personal/family use. Parent Stay Home does not receive, save, store, or see information entered here. Share only with people your parent trusts or has authorized, when appropriate.

Important note: This tool provides general organization support only. It is not medical, legal, financial, or care-management advice.

Parent basic information

Full name	Preferred name
Date of birth	Primary phone
Lives alone? Yes / No / Sometimes	Street address
City	State / ZIP

Emergency contacts

List several trusted contacts if possible, so someone else can be reached if the first person is unavailable.
